

Journeyman Lineman

The Village of Chatham is seeking to fill the position of Journeyman Lineman. The position requires the completion of the ALBAT Training program or equivalent, certified climber with up to date pole top rescue certificate and must be a member in good standing with an Affiliated IBEW Local. The position will be responsible for working closely with the citizens of the Village of Chatham, be able to complete work orders, construct and maintain the current electrical distribution system, and provide prompt and efficient customer service.

Qualified candidate for this position must possess excellent public relation, communication and organizational skills. Candidates must be proficient in trouble shooting and be able to pass a proficiency test. Substation experience would be a plus. Please submit cover letter, job application, resume and professional references to: the Village of Chatham, Attn: Jill Butler Human Resources coordinator, 116 E. Mulberry Chatham IL 62629.

Applications may be picked up at the Village of Chatham Utility office or on line @ www.chathamil.net

All applications and resumes for this position will be accepted until 4:00pm Dec 1, 2011.
