AN ORDINANCE WITH RESPECT
TO WATER TAP-ON AND TEMPORARY
ELECTRIC HOOK-UP FEES

WHEREAS, the corporate authorities deem it in the public interest to establish regulations with respect to water tap and temporary electric hook-up fees;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTERS OF THE VILLAGE OF CHATHAM, ILLINOIS:

Section 1. There is hereby established a water tap-on fee of \$200.00 for each connection made to the Village of Chatham water distribution system and there is hereby established a temporary electric hook-up fee of \$10.00 for each connection made to the Village of Chatham electric distribution system.

Section 2. Such fee payments shall be made to the Utility Department of the Village of Chatham at the time of application for a building permit and such building permit will not be granted until said fees are paid.

Section 3. If the building permit is not granted such fees will be refunded to the applicant. Water and electric utility charges will not start until the respective meters are installed.

Section 4. This Ordinance shall take effect January 1, 1974.
