The following list is considered as those days for which holiday rates of wages for work performed apply:

New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day.

Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IOOL.

RE: Prevailing Wage Rates
Public Act 86-799

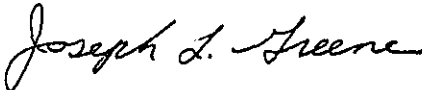

Dear Mr. Myers:

In discussing the prevailing wage rates with Local Road Engineers at the Illinois Department of Transportation, it was determined that they will not process our motor fuel tax submittals until the Village of Chatham adopts a prevailing wage rate resolution.

Please draft a resolution meeting the intent of the wage rate law and have available for the next scheduled board meeting.

Sincerely,
