Dear Carl:

I enclose a prevailing wage ordinance for passage at your next board meeting. You will recall that earlier this year at the request of Joe Greene the Village passed a prevailing wage ordinance that he could use in connection with motor fuel projects. Tom Kelty pointed out to me that although that ordinance was OK, the Village still needs to do a prevailing wage ordinance using the rates specified by the Department of Labor for June, 1990. The earlier ordinance had the April rates. This ordinance has the June rates, and these rates will be good for a year.

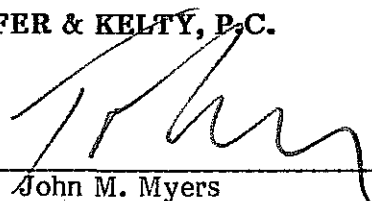

Please note also that there are two other differences between this ordinance and the former one. This ordinance requires a certified copy to be filed with the Index Division of the Secretary of State and it requires a notice of the prevailing wage determination to be published in the local newspaper. These are two statutory requirements that were overlooked in the prior ordinance but should be observed for this ordinance and in the future.

As always, if you have any questions please call.

Sincerely yours,

**PFEIFER & KELTY, P.C.**
