

ORDINANCE NO. 91-5AN ORDINANCE REGULATING ENCROACHMENT ON GORDON DRIVE  
RIGHT OF WAY IN THE VILLAGE OF CHATHAM  
SANGAMON COUNTY, ILLINOIS

WHEREAS, the Village of Chatham, hereinafter known as the VILLAGE, and the State of Illinois acting by and through its Department of Transportation, have entered into an Agreement relative to the improvement of Gordon Drive from Walnut Street northerly 977.24 feet to be known as FAU 8153, Village Section 90-00016-00-FP; and

Project Right of Way is defined as those areas within the project right-of-way lines established jointly by the VILLAGE and the STATE which will be free of encroachments, except as hereinafter defined;

Permissible Encroachment is defined as any existing awning, marquee, advertising sign or similar overhanging structure supported from a building immediately adjacent to the limits of the platted street where there is a sidewalk extending to the building line and which does not impair the free and safe flow of pedestrian traffic or traffic on the highway. The permissive retention of overhanging signs is not to be construed as being applicable to those signs supported from poles constructed outside the project right-of-way line and not confined by adjacent building;

Construction Easement Area is defined as the area lying between the project right-of-way limits and the platted street limits within which the VILLAGE, by concurrence in the establishment of the project right-of-way lines, will permit the STATE to enter to perform all necessary construction operations; and,

WHEREAS, representatives of the VILLAGE and the STATE have, by visual inspection, cooperatively established project right-of-way lines and have mutually determined the disposition of encroachments;
