ANNEXATION AGREEMENT

THIS AGREEMENT, made and executed by and between Breckenridge Development Corporation, an Illinois corporation ("Owner"), and the Village of Chatham, an Illinois municipal corporation ("Chatham" or the "Village"), all of Sangamon County, Illinois, effective this ____ day of October, 1992.

RECITALS

WHEREAS, Owner is the record owner of and intends to develop, the real estate legally described as follows (the "Real Estate"):

The Southeast Quarter of Section Seven (7), Township Fourteen (14) North, Range Five (5) West of the Third Principal Meridian.

EXCEPTING from the above described land, the following tracts:

Tract 1: The West Four Hundred Seventeen and 42/100 (417.42) feet of the North Two Hundred Thirty-eight and 71/100 (238.71) feet of the Southeast Quarter of Section (7) in Township Fourteen (14) North, Range Five (5) West of the Third Principal Meridian.

Tract 2: The North Four Hundred Seventeen and 42/100 (417.42) feet of the East Four Hundred Seventeen and 42/100 (417.42) feet of the Southeast Quarter of Section 7 in Township 14 North, Range 5 West of the Third Principal Meridian.

WHEREAS, the North 330 feet of the Real Estate has previously been annexed into the corporate limits of Chatham, and the Owner now proposes to annex all of the rest and remainder of the Real Estate into the corporate limits of the Village of

Chatham, and to obtain a coordinated and complementary zoning classification for all of the Real Estate pursuant to the Chatham Zoning Ordinance and the preliminary plan as approved, a copy of the preliminary plan being attached hereto and marked Exhibit "A", with the Real Estate to be placed in the various zoning classifications as shown on the proposed Annexation Plat and Zoning Plat, dated August 23, 1992, a copy of which is attached hereto and made a part hereof and marked as Exhibit "B-1" and "B-2", respectively.

WHEREAS, the Owner and Chatham desire to modify or expand certain provisions of Chatham's zoning and subdivision ordinances due to the nature of the development and to assure the consistent, orderly development of the Real Estate and adjacent Ball Street.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants expressed herein, the parties agree as follows:

1. Owner has petitioned to annex the Real Estate, conditional upon this Agreement, a copy of the Annexation Petition being attached hereto and marked as Exhibit "C".

2. If the petition for annexation complies with the ordinances of Chatham and the Illinois Municipal Code, then the annexation petition as filed shall be recommended and approved by the appropriate administrative and legislative bodies of Chatham; and an annexation ordinance in the form attached hereto as Exhibit D shall be enacted by the President and Board of Trustees of Chatham within 30 days of execution of this Agreement.

3. Such annexation shall be expressly conditioned and contingent upon the simultaneous classification of the Real Estate into the zoning classifications in the arrangement and configuration as depicted on Exhibit "B-2". Exhibit "A" (the preliminary plan) includes certain open space (designated as Lots 1000 through 1007). Owner intends and agrees to convey said open space to the Breckenridge Homeowners Association to be maintained by the Association as green space for the benefit and enjoyment of its members. A copy of the Restrictive Covenants proposed to be recorded to establish, define and govern the Breckenridge Homeowners Association, including the manner in which the open space is to be conveyed to the Homeowners Association, is attached hereto and marked as Exhibit "E".

PRELIMINARY PLAN

4. Owner has heretofore filed a preliminary plan plat which, after due consideration in accordance with the law and Village ordinances, has previously been approved by the Village of Chatham.

ZONING

5. Upon the enactment of an ordinance annexing the Real Estate, then without additional action required of Owner or of Chatham, the Real Estate shall automatically be classified in the zoning districts (as shown on Exhibit "B-2") without any further hearing before any administrative or legislative body whatsoever.

The preliminary plan plat approved by Chatham (Exhibit "A") included tentative lot numbers. The designation of various areas

of the Real Estate into the several zoning districts set forth in this Agreement are intended to be binding upon the Owner, Chatham, and the Real Estate for the term of this Agreement, although the lots in the several areas of the Real Estate are subject to being renumbered as each final plat is prepared and presented for approval to Chatham.

APPROVAL OF FINAL PLATS

6. As set forth in paragraph 4 above, the preliminary plan plat for the Real Estate has been approved by Chatham. Said preliminary plan designated the specific lots contemplated to be included in each of ten final plats. Accordingly, Owner may submit up to ten final plats of portions the Real Estate from time to time. Each successive plat shall be approved in accordance with the procedure set forth in the Chatham Subdivision Ordinance, provided each such final plat complies with the law and ordinances of the Village of Chatham. Owner shall have three years from the date of approval of the preliminary plan to file its initial final plat and the additional final plats may be filed within the term of the Agreement. No more than four final plats shall be outstanding at any given time without all public improvements having been approved and accepted by the Village.

GENERAL

7. The 1989 Subdivision Ordinance and the 1982 Zoning Ordinance shall govern all subdivision plats proposed or adopted

pursuant to this Agreement and all zoning issues with respect to the Real Estate, respectively.

8. Chatham hereby waives all provisions of its ordinances expressly or impliedly inconsistent with this Agreement or the preliminary plan, including but not limited to provisions relating to initial pre-urban zoning upon annexation. Chatham will permit a letter of credit in a form satisfactory to its corporate authorities to be provided by Owner in lieu of surety or cash bond as set forth in its Subdivision Ordinance.

9. Chatham acknowledges that prior to Owner acquiring the Real Estate or making application for annexation of the Real Estate into the corporate limits of the Village of Chatham, Chatham had planned to enlarge and improve that north-south street lying immediately to the west of the Real Estate, presently known as Ball Street and tentatively proposed to be renamed Park Street. Owner acknowledges that the development of the Real Estate will ultimately contribute to the traffic flow on Ball Street, and the attractiveness of the Real Estate for development will be enhanced by an early improvement of Ball Street. Accordingly, in consideration for Chatham agreeing to pay 75%, Owner agrees to pay 25%, up to a maximum of \$44,600.00, of the cost of improving and upgrading Ball Street from Walnut Street on the north to its termination at the intersection with Spruce Street on the south. (All issues relating to costs of improving Ball Street south of Spruce Street are reserved for later discussions and are not part of this Agreement.) The

improvements to Ball Street will include, but not necessarily be limited to, the following: excavation and pavement removal, engineering fees, storm sewer (manholes and backfill; adjust manholes/valves), water line (relocate fire hydrants and adjust main), asphalt or concrete pavement, concrete curb and gutter, concrete sidewalk, traffic control signage and/or controls, and reseeding of non-paved area. The engineering for the Ball Street improvement shall include all engineering work from Walnut Street extending south to the Southern edge of Spruce Street (survey and design; right-of-way documents relating to the Schroeder property construction - testing and inspection), and engineering design work to a point 300 feet south of the southern edge of Spruce Street to accommodate drainage issues and right-of-way acquisition at St. Joseph's Church.

In conjunction with the improvement of Ball Street, Owner and Chatham agree that the Village electric distribution and service lines presently in place along Ball Street shall be upgraded and improved, by the replacement of wood poles with concrete poles, the replacement of overhead service lines which cross Ball Street with buried service lines, and the replacement of existing street lights with street lights in conformance with specifications and standards for new subdivision developments in Chatham. Chatham agrees to provide the labor, machine work, and material, including the street lights, for the electric system improvement. Owner agrees to pay 100% of Chatham's actual direct costs for material and labor, up to a maximum of \$25,000.00;

Chatham agrees to make no charge for the street lights and use of its equipment. Chatham agrees to complete both the improvement of Ball Street and the relocation and improvement of the electric lines by June 30, 1993, except for delays caused by such events as inclement weather, strikes, right of way acquisition problems or other force majeure conditions and circumstances not within the contemplation or control of either Chatham or Owner. Owner agrees to make payment of the appropriate amounts as agreed hereinabove toward the street improvement within 60 days of completion of the improvement of Ball Street as certified by Village's engineers, and toward electrical line improvement within 60 days after completion of the electric line and street light relocation and improvement as certified by the Village and presentation of invoices for materials and time records for Village labor.

Owner shall receive a credit against Owner's monetary contribution toward the improvement of Ball Street as provided in paragraph 9 in the following amounts: \$800.00 engineering costs and fees incurred and paid by Owner and provided to Chatham's engineers which will be useful in the Ball Street improvement.

10. Within 3 years of execution of this Agreement, Owner shall (a) construct Spruce Street from Ball Street to the east end of the Real Estate and Breckenridge Road from Walnut Street to Spruce Street or (b) grant the Village a temporary right of way, 10 feet in width along the edge of uncompleted portions of Spruce Street and Breckenridge Road, for construction of a gravel

bicycle and pedestrian path, which temporary right of way will terminate upon completion of each portion of said streets.

11. Owner hereby grants to Village a temporary right of way 10 feet in width for construction of a temporary gravel bicycle path and/or pedestrian walkway extending east to west the entire length of the Real Estate along the Southern edge of Walnut Street. Any final plat including land adjacent to the right of way for Walnut Street shall include a provision for a concrete sidewalk constructed in accordance with the subdivision ordinance at Developer's expense. Upon completion of such sidewalk the temporary right of way shall be extinguished.

REMEDIES

12. Upon a breach of this Agreement, any of the parties, in any court of competent jurisdiction, by an action or proceeding at law or in equity, may secure the specific performance of the covenants and agreement herein contained, may be awarded actual, but not consequential, damages for failure of performance, or both, or in the alternative, may obtain rescission and disconnection for material failure of performance.

13. In the event of a material breach of this Agreement, the parties agree that the party alleged to be in breach shall have thirty (30) days after written notice of said breach to correct the same prior to the non-breaching party's seeking of any remedy provided for herein (provided, however, that said thirty (30) day period shall be extended if the defaulting party

has initiated the cure of said default and is diligently proceeding to cure the same).

14. The failure of the parties to insist upon the strict and prompt performance of the terms, covenants, agreement, and conditions herein contained, or any of them, upon any other party imposed, shall not constitute or be construed as a waiver or relinquishment of any party's right thereafter to enforce any such term, covenant, agreement or condition, but the same shall continue in full force and effect.

15. If the performance of any covenant to be performed hereunder by any party is delayed as a result of circumstances which are beyond the reasonable control of such party (which circumstances may include acts of God, war, acts of civil disobedience, strikes or similar acts), the time for such performance shall be extended by the amount of time of such delay.

SPECIAL ASSESSMENTS AND TAXATION

16. Without the prior written consent of Owner, Chatham shall not, with respect to any of the Real Estate for the initial five years of this Agreement, and thereafter with respect to any portion of the Real Estate until it has been part of an approved final plat for three years:

a. Levy against any real or personal property within the Real Estate, any special assessment or special tax for the cost of any improvements in or for the benefit of the Real Estate; or

b. Undertake any local improvements in, on or for the benefit of the Real Estate pursuant to the imposition of a special assessment or special tax against the Real Estate, or any portion thereof; or

c. Levy or impose additional taxes on the Real Estate, in the manner provided by law for the provision of special services to the Real Estate or to an area in which the Real Estate is located or for the payment of debt incurred in order to provide such special services.

17. Nothing herein shall prevent Chatham from levying or imposing additional taxes upon the Real Estate in the manner provided by law, which are applicable to and apply equally to all other properties within the Village.

TERM

18. This Agreement shall be binding upon the parties and their respective successors and assigns for twenty (20) years, commencing as of the date hereof, and for such further term as may hereinafter be authorized by statute and by Chatham Village ordinance.

MISCELLANEOUS

19. Amendment. This Agreement, and the exhibits attached hereto, may be amended only by the mutual consent of the parties, by adoption of an ordinance by Chatham approving said amendment as provided by law, and by the execution of said amendment by the parties or their successors in interest.

20. Severability. If any provision, covenant, agreement or portion of this Agreement or its application to any persons, entity or property is held invalid, such invalidity shall not affect the portions of this Agreement, and to that end, all provisions, covenants, agreement and portions of this Agreement are declared to be severable. If for any reason the annexation or zoning of the Real Estate is ruled invalid, in whole or in part, the Corporate Authorities, as soon as possible, shall take such actions (including the holding of such public hearings and the adoption of such ordinances and resolutions) as may be necessary to give effect to the spirit and intent of this Agreement, and the objectives of the parties, as disclosed by this Agreement, provided that the foregoing shall be undertaken at the expense of the Owner and Developers.

21. Entire Agreement. This Agreement sets forth all agreements, understandings, and covenants between Chatham and the Owner and Developers. This Agreement supersedes all prior agreements, negotiations and understandings, written and oral, and is a full integration of the entire agreement of the parties.

22. Survival. The provisions contained herein shall survive the annexation of the Real Estate and shall not be merged or expunged by the annexation of the Real Estate to Chatham.

23. Successors and Assigns. This Agreement shall inure to the benefit of, and be binding upon, successors of the Owner and their respective successors, grantees, lessees, and assigns, and upon successor corporate authorities of Chatham and successor

municipalities, and shall constitute a covenant running with the land.

24. Notices. Any notice required or permitted by the provisions of this Agreement shall be in writing and sent by certified mail, return receipt requested, or personally delivered, to the parties at the following addresses, or at such other addresses as the parties may, by notice, designate:

If to Chatham: Village of Chatham
 117 East Mulberry Street
 Chatham, IL 62629

If to Owner: Breckenridge Development Corporation
 2475 West Monroe
 Springfield, IL 62704

Notices shall be deemed given on the fifth (5th) business day following deposit in the U.S. Mail, if given by certified mail as aforesaid, and upon receipt, if personally delivered.

25. Time of Essence. Time is of the essence of this Agreement and of each and every provision hereof.

26. Municipal Approval. Wherever any approval or consent of Chatham, or of any of its departments, officials or employees, is called for under this Agreement, the same shall not be unreasonably withheld or delayed.

27. Recording. Owner and Developers shall at their expense record this document with the Sangamon County Recorder of Deeds within 30 days of its execution.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the date first above written and, by so executing, each of the parties warrants that it possesses full right and authority to enter into this Agreement.

PETITION FOR ANNEXATION SUBMITTED PURSUANT TO
ILL. REV. STAT. (1991) CH. 24, PARA. 7-1-8

TO: THE PRESIDENT AND BOARD OF TRUSTEES
OF THE VILLAGE OF CHATHAM,
SANGAMON COUNTY, ILLINOIS

THE UNDERSIGNED, BRECKENRIDGE DEVELOPMENT CORPORATION
("PETITIONER"), BY AND THROUGH ITS PROPER OFFICERS, RESPECTFULLY
STATES THE FOLLOWING UNDER OATH:

A. Petitioner is the sole owner of record title to that
certain territory, consisting of approximately One Hundred Forty
One and 97/100 (141.97) acres, which is legally described as:

The Southeast Quarter (SE 1/4) of Section Seven (S7),
Township Fourteen North (T.14.N.), Range Five West
(R.5.W.) of the Third Principal Meridian, EXCEPT the
North 330 feet and the South 87.42 feet of the North
417.42 feet of the East 417.42 feet thereof, in
Sangamon County, Illinois

(the "Property").

B. The Property is not situated within the corporate limits
of any municipality, but is contiguous to the corporate limits of
the Village of Chatham (the "Village").

C. No electors whatsoever reside upon the Property.

D. All of the Property is presently within both the Chatham
Fire Protection District and the Chatham Library District, and all
will yet be in each of those districts if annexed into the
Village, said Village providing neither municipal fire protection
nor library services separate and apart from the autonomous
Chatham Fire Protection District and Chatham Library District,
each of which districts encompass not only the Village of Chatham
but surrounding territory, so there is no requirement (under Ill.
Rev. Stat. (1991) Ch. 24, par. 7-1-1) or purpose for notice of
this annexation petition being served on the Trustees of either
the Chatham Fire Protection District or the Chatham Library
District prior to presentation and action upon this Petition for
Annexation.

E. There are no highways lying within the Property; the
only public road, street, or highway adjacent to the Property,
being Ball Street to the west of the Property, is already within
the corporate limits of the Village and not subject to the
jurisdiction of any township highway commissioner. Accordingly,
there is no requirement (under Ill. Rev. Stat. (1991) Ch. 24, par.
7-1-1) or purpose for notice of this annexation petition being
served upon the Ball Township Highway Commissioner or Ball
Township Board of Trustees, there being no highway to be annexed
subject to said township's jurisdiction.

F. The Property is the subject matter of a proposed annexation agreement (the "Annexation Agreement") between the Petitioner and the Village. The Annexation Agreement establishes the terms and conditions under which the Property is to be developed and will be entered into pursuant to Section 11-15.1-1 et. seq. of the Illinois Municipal Code, as amended. The form of the proposed Annexation Agreement is attached hereto as Exhibit B and made a part hereof.

THE PETITIONER HEREBY RESPECTFULLY REQUESTS THE FOLLOWING:

1. That, subject to the condition stated in the following paragraph, the Property be annexed to the Village by an ordinance passed and approved by the President and Board of Trustees of the Village pursuant to Section 7-1-8 of the Illinois Municipal Code, as amended.

2. That, as a condition precedent to the annexation of the Property to the Village, the Annexation Agreement, as it may hereafter be modified to the mutual satisfaction of the Petitioner and the Village, be approved by an ordinance passed and approved by the President and Board of Trustees pursuant to Section 11-15.1-1 et. seq. of the Illinois Municipal Code, as amended, and that said Annexation Agreement be fully and properly executed by the Village.

3. That such further action be taken by the Village as may be necessary or appropriate to effect, in accordance with law, the annexation of the Property to the Village and the execution and delivery of the Annexation Agreement.

4. To the best of the undersigned's information and belief, the statements contained herein are true and correct.

Dated this 31st day of August, 1992.

(a) The right of the Association to charge reasonable admission and other fees for the use of any facility now or hereafter situated or constructed upon the Common Areas and to

impose reasonable limits on the number of guests who may use the facilities.

(b) The right of the Association to suspend the voting rights and right to use the Common Areas and facilities by any Owner for any period during which any assessment of the Association against said Owner's Lot remains unpaid, and for any infraction by an Owner of the Association's published rules and regulations for the duration of the infractions, and for an additional period thereafter not to exceed sixty (60) days.

(c) The right of the Declarant with regard to the Properties which may be owned for the purpose of development, to grant easements in and to the Common Areas contained within the Properties to any public agency, authority or utility for such purposes as benefit the Properties or parties thereof and owners of Lots contained therein.

(e) The right of the Association to dedicate or transfer all or any portion of the Common Areas to any public body, agency, authority or utility for such purpose and subject to such conditions as may be agreed by the Members of the Association. ARTICLE V

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every person or entity who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more persons, shall have more than one membership per Lot. In the event of multiple Owners of a Lot, votes and rights of use and enjoyment shall be as provided herein. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for membership. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member's spouse, but in no event shall more than one vote be cast nor office held for each Single Family Lot, nor shall more than two votes be cast for any Duplex Lot.

Section 2. Voting. The Association shall have two classes of membership, Class "A" and Class "B", as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of the Declarant, and any successor of Declarant specifically identified in the deed of conveyance as a Class B Member who takes title for the purpose of development and sale. Class "A" Members shall be entitled to one vote for each Single Family Lot and two votes for each Duplex Lot in which they hold the interest required for membership by Section 1 hereof. When more than one person holds such interest in any Lot, the vote(s) for such Lot shall be exercised as those Owners themselves determine and advise in writing the Secretary prior to any meeting. In the absence of such advice, the Lot's vote(s) shall be suspended in the event more than one person seeks to exercise it. If a Lot is owned by a corporation, condominium association, partnership or trust, such entity shall designate in writing the person authorized to vote in behalf of such entity.

(b) Class "B". The Class "B" Member shall be the Developer, or its successor as identified in a deed of conveyance as a Class B Member who takes title for the purpose of development and sale. The Class "B" Member shall be entitled to four votes for each Lot in which it holds the interest required

for membership by Section 1, Article III, provided that the Class "B" membership shall cease on the happening of either of the following events, whichever occurs earlier:

(1) When all lots are sold; or

(2) At such time as the Developer voluntarily relinquishes its Class "B" membership rights.

ARTICLE VI

COVENANT FOR ASSESSMENTS

Section 1. Purpose of Assessments. The assessments levied by the Association are for the purpose of promoting the recreation, health, enjoyment, welfare and safety of the residents and for protecting, advancing and promoting the environment of the Properties for the common benefit and enjoyment of the Owners and occupants of residences, improvement and maintenance of the Common areas, detention and retention areas, and other common facilities and areas of common responsibility including but not limited to repair, replacement and additions thereto, and for the cost of labor, equipment and materials, management and supervision thereof, all as may be authorized from time to time by the Board of Directors.

Section 2. Creation of Lien and Personal Obligations of Assessments. Each Class A Member, acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to covenant and agree to pay and shall pay the Association such fees, assessments and charges as are herein provided and authorized:

(a) Annual assessments, (b) special assessments and/or individual assessments against any particular Lot as shall be established and collected by the Association pursuant to the terms of this Declaration, including but not limited to such reasonable fines as may be imposed herein. All such assessments together with interest thereon, late charges and costs of collection thereof, including reasonable attorneys' fees (i) shall be a charge and a continuing lien upon the Lot against which any such assessment is made, subject to foreclosure and the Association shall have the right to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property, and the Association shall have the conclusive power and authority to file in the Office of the Recorder of Deeds of Sangamon County, Illinois a lien or liens against such Lot, and (ii) shall also be the joint and several personal obligation of each person who was an Owner of said Lot at the time when any such assessment made against said Lot fell due.

No Owner shall be entitled to a refund of any portion of any annual or special assessment, or installment of a special assessment, paid by him, even though said Owner's membership in the Association terminates prior to expiration of the period covered by any such assessment or installment theretofore paid by him. No Owner may avoid or escape liability for any annual or special assessment or individual assessment imposed or levied pursuant to this Article VI by abandonment of his Lot, or by attempted waiver of non-user of the benefits of membership in the Association, or of the Common Areas and facilities.

Section 3. Annual Assessment. It shall be the duty of the Board at least thirty (30) days prior to the Association's annual meeting to prepare a budget covering the estimated costs of operating the Association during the coming year which may include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall also prepare a proposed assessment to be levied against each Lot for the following year of each Class A Member. The budget and the assessment shall become effective unless disapproved at the annual meeting by a vote of at least fifty-one (51%) per cent of the total Association membership votes including those votes of the Class "B" Member or Members. Notwithstanding the foregoing, however, in the event the Members disapprove the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then current year shall continue for the succeeding year. The initial annual assessment shall be One Hundred Twenty Dollars (\$120.00) per Single Family Lot, and Two Hundred Forty Dollars (\$240.00) per Duplex Lot, per Class A Member, and the amount of such assessment shall continue until changed as provided above. The Board shall cause a "Notice of Assessment" to be delivered against every Lot so assessed by delivery by U.S. Mail to the last known residence address of each Class A Member on or about January 1 of each year.

Section 4. Entering Member. Any person or entity becoming the initial Class A Member with respect to a Lot, on a date after January 1, shall, for said initial year, pay a reduced annual and special assessment, if any, prorated on the basis of the remaining days in the calendar year after the date of the deed of conveyance to the Lot in issue, which prorated amount shall be due to the Association on the closing on said Lot.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any calendar year a special assessment for the purpose of defraying in whole or in part the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, and,

any retention area, including the necessary equipment related thereto, provided, that any such assessment shall have the assent of two-thirds (2/3) of the votes of the total membership including Class "B" Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 30 days in advance of the meeting setting forth the purpose of the meeting. The Board of Directors may make such special assessments payable in installments over a period which may, in the Board's discretion, extend in excess of the fiscal year in which adopted.

Section 6. Individual Assessment. In the event that the need for maintenance or repairs of the Common Area is caused or occurs by or through the wilful or negligent act or omission of an Owner, his family, lessees' guests or invitees, or in the event that a Class A Member shall fail or refuse to maintain such Lot or repair or replace the improvements situated thereon in a manner satisfactory to the Board, or the Architectural Control Committee, or as required by the covenants herein, then, the Association, after approval by a vote of 66 2/3% of all members of the Board, shall give such written notice of the Association's intent to provide the required maintenance, repair, replacement or corrective work, at such Member's sole cost and expense. The Member shall have fifteen (15) days within which to complete said maintenance, repair, replacement, or corrective work. If such Member fails or refuses to discharge properly his obligations as outlined above, the Association shall have the right, through its duly authorized agents or employees to enter at reasonable hours of any day, upon said Lot to perform such work. The Association may levy an individual assessment upon any Lot, except as provided in Section 7 of this Article, to cover the cost and expense incurred by the Association in fulfilling the provisions of the Section. The Association shall also have the right to issue individual assessments for sidewalk installation as provided in Article VIII, Section 17.

Section 7. Exemption from Assessment. The following property subject to this Declaration shall be exempt from all assessments, charges and liens created herein:

(a) All Properties to the extent of any easement or other interest therein dedicated and accepted by any public authority and devoted to public use.

(b) All Common Areas as defined in Article I hereof.

(c) Any vacant land or Lots owned by a Class "B" Member unless a Lot is occupied as a residence.

Section 8. Assessments Due Dates. The annual assessment for each Lot shall become due and payable 30 days after the postmark date of the Notice of Assessment. The method of payment

and due dates for special assessments shall be as established by the Association in accordance with Section 5 of this Article VI. The method of payment and due dates for individual assessments shall be as determined by the Board in accordance with Section 6 of Article VI. The Association shall prepare a roster of Lots and assessments applicable thereto, which shall be open to inspection by any Member upon reasonable notice to the Board.

Section 9. Computation. Annual and special assessments shall be charged equally against each Single Family Lot, except as provided in Section 4 regarding Entering Members. Annual and special assessment against Duplex Lots shall be double the charge against Single Family Lots.

Section 10. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessments which are not paid when due shall be delinquent. Any assessment or assessment installment delinquent for a period of more than ten (10) days may incur a late charge in an amount as the Board may determine from time to time. The Association shall cause a notice of delinquency to be given to any Member who has not paid within the ten (10) days following the due date. If the assessment or assessment installment is not paid within thirty (30) days, a lien as herein provided for shall attach to and be a continuing lien upon the Lot against which such assessment shall have been made, and in addition the lien shall include the late charge, interest on the principal amount due at the maximum allowable rate from the date first due and payable, all costs of collection, reasonable attorneys' fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may as the Board shall determine, institute suit to collect such amounts or to foreclose its lien. Each Owner, by acceptance of a deed or other conveyance to a Unit, vests in the Association or its agents the right and power to bring all actions against such Owner or Owners personally for the collection of such charges as a debt, and/or to foreclose the aforesaid lien in the same manner as other liens for the mortgage of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Unit at any foreclosure sale or to acquire, hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein, including by way of illustration but no limitation, abandonment of the Unit.

Section 11. Subordination of Lien. The lien provided for in this Declaration shall be subordinate to the lien of any first mortgage theretofore of record upon the Lot subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of

foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 12. Estoppel Certificates. The Association shall, upon request of a Member, at any reasonable time, furnish an estoppel certificate signed by an officer or other authorized agent of the Association, setting forth the amount of unpaid assessments and/or other charges, if any, against said Member's Lot, up to a given date or time of conveyance, also certifying as to whether or not there are violations of the governing documents on the Lot as of the date of preparation of the certificate. Said certificate shall be delivered to the place of closing and all outstanding assessments and other charges, if any, and a reasonable charge, as determined by the Board to cover the cost of providing such certificate, shall be deducted from the Seller's account at the closing and transmitted directly to the Association.

ARTICLE VII

MAINTENANCE BY AND SERVICES OF THE ASSOCIATION

Section 1. Maintenance, Repairs and Services by the Association. The Association, subject to the provisions of this Declaration and the By-Laws of the Association, shall maintain and keep in good repair the area of common responsibility, which responsibility shall be deemed to include by example and not by limitation: (a) maintenance, repair and replacement of all common areas and facilities including park areas, landscaping, utility lines, pipes, wires and conduits, not dedicated to any public authority, if any, (b) furnish and provide the necessary maintenance and repair service for the utility systems, and for any drainage collection facility or storage pond serving the Properties and the improvements situated thereon. With respect to such drainage collection facility or storage pond, the Association shall have the duties specified in the easements granting the Association the rights to such facilities and ponds.

Section 2. Easement. The Association is hereby granted an easement of use and right-of-way on, over in, under and through all Lots in order to comply with the terms of this Article VII, and entry on any Lot for such purpose shall not be deemed a trespass.

ARTICLE VIII

RESTRICTIVE COVENANTS

Section 1. General Lot Usage. No Lot shall be used except as a Single Family Lot or as a Duplex Lot. "Single-family Lot" shall mean and refer to any Lot of land to be used for single-family residential purposes and so designated on the subdivision plat or survey of the Breckenridge Estates Subdivision which shall be a public record. As a prerequisite to consideration for approval, and prior to beginning the contemplated work, two (2) complete sets of building plans and specifications must be submitted to the Committee. All plans, including but not limited to plans which include basements, shall state to the Committee's satisfaction how the excavated soil will be handled so as not to interfere with drainage swales or otherwise materially change the grade or elevation of the subject Lot or the drainage of adjacent Lots as compared to the final engineering plans of the Developer. No Lot owner shall cause increased water runoff on neighboring property not specifically authorized by such neighboring Lot owner. The Committee shall be the sole arbiter of such plans and may withhold approval for any reason including purely aesthetic considerations. In the event the Committee fails within forty-five (45) days to approve or disapprove such plans and specifications, approval will not be required, and the requirements of this Section with respect to presentation to and approval by the Committee will be deemed to

have been fully complied with. Upon approval, construction shall be started and prosecuted to completion promptly and in strict conformity with such plans.

C. Easements - Utility and Drainage. Overhead cables, poles and wires for public utilities shall be permitted only on such portion of any Lot designated for public utilities, but all electric and telephone service lines there from for any improvements in said subdivision shall be installed and maintained underground. Drainage in such portion so designated as "Easement" shall not be blocked or impaired, either intentionally or by negligent maintenance on any Lot or Lots.

D. Construction. All construction must be diligently pursued to completion within a reasonable period but in no case to exceed one (1) year. No structure shall be occupied for living purposes which is not functionally complete in detail as to the exterior of the structure. All front and side yards shall be sodded as soon as possible, weather permitting, after construction is complete, and in any event, not later than six (6) months after construction is complete. In addition, after construction is complete on each Lot, and as soon as weather permits, the Association shall cause the installation of concrete sidewalks as required by the Village of Chatham and the Architectural Control Committee, which expenses of said sidewalk shall be born by the Lot Owner. Upon completion of the sidewalk, the Association shall issue a written individual assessment to the Lot Owner which assessment shall be due in thirty (30) days and if not paid, then shall become a lien as provided in Article VI, Section 10. No building materials, paint nor building equipment shall be exposed to the public view if occupied as a dwelling. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any building site at any time as a residence either temporarily or permanently.

G. Finished Grade. All finished grades at each residence perimeter shall be within 18" to 24" above the back of the street curb and sloping to the street and rear yard grade for drainage, except at otherwise approved by the Architectural Control Committee. Drainage swales shall not be filled with excavation materials.

H. Structure Location and Quality. No building shall be erected, placed or altered until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finished grade elevation and as provided in this Section 2. No fence or wall shall be erected, placed or altered on any Lot nearer to any street line than the minimum building set back line unless similarly approved.

I. Enforcement. The Committee shall be entitled to stop any construction in violation of these restrictions, or in the event of a violation of the terms of subparagraphs B, C, D, E, F, G, or H of this Section 2 of Article VIII affecting drainage, grade or elevation, whenever occurring, then the Association shall have the right and obligation to correct the violation and issue an individual assessment as provided in Article VI, Section 6. In the event drainage in any portion of any Lot designated as "Easement" is blocked or impaired in violation of subparagraph C of this Section 2 of Article VIII, the Owner of any Lot or part thereof in said subdivision or the Committee shall have the right to remove any obstruction blocking or impeding such drainage, in which case an individual assessment may issue against the Lot or Lots of the Owner or Owners whose willful or negligent act or omission has caused the violation as provided in Article VI, Section 6, if costs were incurred.

J. Brick. All houses shall incorporate brick into the design, acceptable qualities of which shall be determined by the Architectural Control Committee.

K. Mail Receptacles. The Architectural Control Committee shall have the right and power to prescribe and enforce uniform mail receptacles throughout the subdivision.

L. Additional Rules. From time to time the Architectural Control Committee shall adopt additional rules and amend existing rules, including but not limited to rules to regulate potential problems relating to the use of the Properties and the well-being of the residents, tenants, guests and invitees. Such additional rules may only be adopted or amended by a two-thirds vote of the Architectural Control Committee, following a hearing for which due notice has been provided to all residents. All such additional rules and any subsequent amendment thereto shall be

placed in the Book of Resolutions and furnished in writing to all residents prior to the effective date of such rules and shall be binding on all residents, except where expressly provided otherwise in such rules.

Section 3. Set Back. No building shall be located on any Lot nearer to the front lot line or side line than the minimum set back line as shown on the recorded plat of subdivision.

Section 4. No Outbuildings. No trailer, basement, tent, shack, garage, barn or other outbuilding placed on any Lot shall, at any time, be used as a residence, temporarily or permanently.

Section 5. Vacant Lots. All vacant Lots shall be kept free of weeds and shall not be permitted to fall into an unsightly condition.

Section 6. Concrete Driveways. All driveways located upon a Lot shall be constructed exclusively of concrete.

Section 7. No Liquor Sales. No spirituous, vinous or malt liquor shall be sold, or kept for sale, on any Lot.

Section 8. Pets. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except dogs, cats or other generally recognized household pets may be kept; provided they are not kept, bred or maintained for any commercial purposes. Any such domestic pet shall not be permitted to cause or create a nuisance, disturbance or unreasonable amount of noise which may affect any resident or other person on the properties. Any such pet must be kept within the confines of the Owner's Lot or must be on a leash held by a person when allowed upon the Common Areas.
