Capacitor Bid Results
B1338 K001

Dear Mr. Hill:

On June 20, 2011, the Village opened bids for the substation and pole mounted capacitor banks. The Village received five (5) bids for the project. The bid results were as follows:

<u>Bidder</u>	<u>Substation</u>	<u>Fixed Pole Mounted</u>	<u>Auto Pole Mounted</u>
HD Supply	no bid	\$6,608.00	\$30,781.00
Fletcher	\$156,240.00	\$7,240.00	\$37,528.00
Brownstown(1)	\$145,950.00	\$9,836.40	\$32,634.00
Brownstown(2)	\$181,650.00	\$19,786.20	\$31,714.20
Controllix	\$131,642.00	no bid	no bid
Electrorep	no bid	\$18,536.80	\$39,229.92

The substation capacitor bank bids were vague at best. After receiving more information we have concluded that the low bidder for the substation capacitor bank met the specifications.

Additional information was also received from the low bidder for the pole mounted capacitor banks and we determined that their bid met the specifications.

We recommend awarding the two (2) substation capacitor banks to Controllix Corporation based on the low bid of \$131,642. We also recommend awarding the pole mounted capacitor banks to HD Supply based on the low bid of \$37,389.

Should you have any questions, please call me. We have made copies of the bids you mailed to us and we are returning them with this correspondence. Please note we received two (2) cashier's checks (for bid security) with the bid documents you sent to us and we are returning them with the bids.

Sincerely,
BHMG Engineers, Inc.
