To Whom It May Concern,

I am writing to express my interest in the job of Summer Recreation Director.

I have taught eleven years in the Ball- Chatham School District. My first four years were at the junior high level while I am completing my seventh year at the high school at the present time. During those eleven years I have coached at both the junior high and high school levels..

I also spent three summers in a position that would give me valuable experience for this job. The Springfield Boy's Club employed me as a counselor for their summer camp which lasted for eight weeks. This camp was for both boys and girls and ranged from age 7-13.

Most of my teaching has been in the physical education area. This experience has given me valuable experience in both planning daily activities as well as forcing me to adapt to problems that come up when children are active.

I hope that you would seriously consider me for this position. I look forward to working with you in developing a meaningful program for our youngsters.

Sincerely,

  
Pat Moomey
