Subject: **The First Chatham Celtic Festival ~ Celtic Fest 2002**

Mr. McCord,

The St. Andrew's Society of Central Illinois respectfully request permission to use the Chatham Community Park for a public festival on Labor Day weekend - August 30 & 31, September 1 & 2, 2002. Set-up for the event will begin on Friday 30th and clean-up will end on Monday 2nd. This will be the first year for what we hope will be an annual outdoor public festival or gathering to celebrate the Celtic culture.

This proposed event will follow the general format of the traditional Highland Gatherings or games. This event will focus on the customs, traditions and heritage of the Celtic Nations. Specifically, it will include entertainment such as Celtic music with Highland and Irish dancing on stage and outdoor demonstrations of the Scottish heavy events. The Celtic Fest will feature local bagpipe bands, pub bands and other Celtic stage performers. The athletic events will include the caber toss, keg toss, sheaf toss, stone of strength, farmers walk and other traditional strongman and athletic competitions of the Scottish Highland Games. Vendors of traditional food and other items will be invited to attend. The Society will organize a committee, with a chairperson, to guide the scheduling, selection of entertainers, athletic events, vendors and for all communications with the Village and Police Department concerning traffic, parking, security and other issues that may arise during the festival.

Sangamon County was settled by the Scots-Irish and a large number of residents still consider themselves descendents of the Celts, or at least interested in the culture. This event should attract a reasonable amount of local interest and help to foster the continued enrichment of the Chatham Community.
