Subject: **The Third Chatham Celtic Festival ~ Celtic Fest 2004**

Mr. Branham,

The St. Andrew's Society of Central Illinois respectfully request permission to use the Chatham Community Park for a public festival on Labor Day weekend - September 3, 4, 5 & 6, 2004. Set-up for the event will begin on Friday 3rd and clean-up will end on Monday 6th. This will be the third year for what we hope is an annual outdoor public festival or gathering to celebrate the Celtic culture.

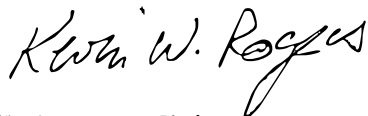

This event follows the general format of the traditional Highland Gatherings or games and focuses on the customs, traditions and heritage of the Celtic Nations. Specifically, it includes entertainment such as Celtic music with Highland and Irish dancing on stage and outdoor demonstrations of the Scottish heavy events. The Celtic Fest features local bagpipe bands, pub bands and other Celtic stage performers. The athletic events include the caber toss, keg toss, sheaf toss, stone of strength, farmers walk and other traditional strongman and athletic competitions of the Scottish Highland Games. Vendors of traditional food and other items will be invited to attend. The Society will organize a committee, with a chairperson, to guide the scheduling, selection of entertainers, athletic events, vendors and for all communications with the Village and Police Department concerning traffic, parking, security and other issues that may arise during the festival.

Last year's Celtic Fest proved that we could survive a real downpour and still manage to cleanup the Community Park and stage area with a minimum of disturbance to the Village or neighbors. We believe that there is a public interest in the entertainment that the Society can bring to the stage and surrounding area of the park. The first Celtic Fest was a modest success; the second Celtic Fest was a test of our fortitude, but we are relentless and request permission to use the park again.

(And if it rains again like last year, we'd like to request permission to host a bass tournament :-)
