(b) The right of the Association to suspend any voting rights and right to use the Common Areas and facilities by any Owner for any period during which any assessment of the Association against

## ARTICLE V

### ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every person or entity who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include persons

who hold an interest merely as security for the performance of any obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more persons, shall have more than one membership per Lot. In the event of multiple Owners of a Lot, votes and rights of use and enjoyment shall be as provided herein. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for membership. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member's spouse, but in no event shall more than one vote be cast nor office held for each Lot.

Section 2. Voting. The Association shall have two classes of membership, Class "A" and Class "B", as follows:

Class "A" Members shall be all Owners with the exception of the Declarant, any successor of Declarant who takes title for the purpose of development and sale and anyone holding one or more lots for the purpose of development or sale. Class "A" Members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Section 1 hereof. When more than one person holds such interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise in writing the Secretary prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended in the event more than one person seeks to exercise it. If a Lot is owned by a corporation, partnership or trust, such entity shall designate in writing the person authorized to vote in behalf of such entity.

(b) Class "B". The Class "B" Member shall be the Developer. The Class "B" Member shall be entitled to four votes for each Lot in which it holds the interest required for membership by Section 1 hereof, provided that the Class "B" membership shall cease on the happening of either of the following events, whichever occurs earlier:

- (1) When all Lots are sold; or
- (2) December 31, 2003; or
- (3) At such time as the Developer voluntarily relinquishes its Class "B" membership rights.

## ARTICLE VI

### COVENANT FOR MEMBERSHIP FEE AND ASSESSMENTS

Section 1. Purpose of Assessments. The assessments levied by the Association are for the purpose of promoting the recreation, health, enjoyment, welfare and safety of the residents and for protecting, advancing and promoting the environment of the Properties for the common benefit and enjoyment of the Owners and occupants of residences, improvement and maintenance of the Common Areas, retention pond, swales and other drainage collection facilities and related equipment, and other common facilities and areas of common responsibility including but not limited to repair, replacement and additions thereto, and for the cost of labor, equipment and materials, management and supervision thereof, all as may be authorized from time to time by the Board of Directors.

Section 2. Creation of Lien and Personal Obligations of Assessments. Each Owner of any Lot by acceptance of a deed or other conveyance, shall be deemed to covenant and agree to pay and shall pay the Association such fees, assessments and charges as are herein provided and authorized:

(a) An entering membership fee, (b) annual assessments, (c) special assessments and/or individual assessments against any particular Lot as shall be established and collected by the Association pursuant to the terms of this Declaration, including but not limited to such reasonable fines as may be imposed herein. All such assessments together with interest thereon, late charges and costs of collection thereof, including reasonable attorneys' fees, (i) shall be a charge and a continuing lien upon the Lot against which any such assessment is made, subject to foreclosure, and the Association shall have the right to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property, and the Association shall have the conclusive power and authority to file in the Office of the Recorder of Deeds of Sangamon County, Illinois a lien or liens against such Lot; and (ii) shall also be the joint and several personal obligation of each person who was an Owner of said Lot at the time when any such assessment made against said Lot fell due.

No Owner shall be entitled to a refund of any portion of the entering membership fee, or any annual or special assessment, or installment of a special installment, paid by him, even though said Owner's membership in the Association terminates prior to expiration of the period covered by any such assessment or installment theretofore paid by him. No Owner may avoid or escape liability for the entering membership fee, or any annual or special assessment or individual assessment imposed or levied pursuant to this Article VI by abandonment of his Lot, or by attempted waiver

of non-user of the benefits of membership in the Association, or of the Commons Areas and facilities.

Section 3. Entering Membership Fee. Each person or entity who holds an ownership interest in a Lot by acceptance of a deed therefor from Declarant, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant, consent and agree and does hereby consent and agree to pay and shall pay the Association at time of delivery of deed, an entering membership fee of One Hundred (\$100) Dollars per Lot to be used by the Association for the same purposes for which annual and special assessments may be levied, provided, however, that any person or entity who shall acquire title to a lot for which the entering membership fee has been paid previously shall not be required to pay said fee.

Section 4. Annual Assessment. It shall be the duty of the Board at least thirty (30) days prior to the Association's annual meeting to prepare a budget covering the estimated costs of operating the Association during the coming year which may include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the proposed budget and the assessments to be levied against each Unit for the following year to be delivered to the last known residence address of each Member at least thirty (30) days prior to the meeting. The budget and the assessment shall become effective unless disapproved at the annual meeting by a vote of at least fifty-one (51%) percent of the Class "B" Member or Members. Notwithstanding the foregoing, however, in the event the Members disapprove the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then current year shall continue for the succeeding year. The initial annual assessment shall be Twenty-five (\$25.00) Dollars per Lot, and the amount of such assessment shall continue until changed as herein provided.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any calendar year a special assessment for the purpose of defraying in whole or in part the costs of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, provided, that any such assessment shall have the assent of two-thirds (2/3) of the votes of the total membership including Class "B" Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days in advance of the meeting setting forth the purpose of the meeting. The Board of Directors may make such special assessments payable in installments over a period which

may, in the Board's discretion, extend in excess of the fiscal year in which adopted.

Section 6. Individual Assessment. In the event that the need for maintenance or repairs of the Common Area or any area subject to an easement as defined in Article I, is caused or occurs by or through the wilful or negligent act or omission of any Owner, any agent or contractor of any owner, the owner's family, lessees, guests or invitees, or in the event that an Owner of any Lot shall fail or refuse to maintain such Lot or repair or replace the improvements situated thereon in a manner satisfactory to the Board, or the Architectural Control Committee, then the Association, after approval by a vote of seventy-five (75%) percent of all members of the Board, shall give such written notice of the Association's intent to provide the required maintenance, repair or replacement, at such Owner's sole cost and expense. The Owner shall have fifteen (15) days within which to complete said maintenance, repair or replacement. If such Owner fails or refuses to discharge properly his obligations as outlined above, the Association shall have the right, through its duly authorized agents or employees to enter at reasonable hours of any day, upon said Lot to perform such work. The Association may levy an individual assessment upon any Lot, except as provided in Section 7 of this Article, to cover the cost and expense incurred by the Association in fulfilling the provisions of this Section.

Section 7. Exemption from Assessment. The following property subject to this Declaration shall be exempt from all assessments, charges and liens created herein:

(a) All properties to the extent of any easement or other interest therein dedicated and accepted by any public authority and devoted to public use.

(b) All Common Areas as defined in Article I hereof.

(c) Any vacant land or Lots owned by a Class "B" Member unless a Lot is occupied as a residence. Any such land or Lots owned by a Class "B" Member shall be maintained by such Class "B" Member at such Member's sole cost and expenses.

Section 8. Assessments Due Dates. The annual assessment installments for each Lot shall commence on the first day of the month following the transfer of ownership of the Lot from Declarant to the Owner, and shall become due and payable on the first day of each month thereafter. The method of payment and due dates for special assessments shall be as established by the Association in accordance with Section 5 of this Article VI. The method of payment and due dates for individual assessments shall be as determined by the Board in accordance with Section 6 of this Article VI. The Association shall prepare a roster of Lots and

assessments applicable thereto, which shall be open to inspection by any Member upon reasonable notice to the Board.

Section 9. Computation. Annual and special assessments shall be charged equally against each Lot.

Section 10. Effect of Nonpayment of Assessments, Remedies of the Association. Any assessments which are not paid when due shall be delinquent. Any assessment or assessment installment delinquent for a period of more than ten (10) days may incur a late charge in an amount as the Board may determine from time to time. The Association shall cause a notice of delinquency to be given to any Member who has not paid within the ten (10) days following the due date. If the assessment or assessment installment is not paid within thirty (30) days, the Association may declare the entire balance of such assessment for the remainder of such annual period due and payable in full, and a lien as herein provided for shall attach to and be a continuing lien upon the Lot against which such assessment shall have been made, and in addition the lien shall include the late charge, interest on the principal amount due at the maximum allowable rate from the date first due and payable, all costs of collection, reasonable attorneys' fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may, as the Board shall determine, institute suit to collect such amounts or to foreclose its lien. Each Owner, by acceptance of a deed or other conveyance to a Unit, vests in the Association or its agents the right and power to bring all actions against such Owner or Owners personally for the collection of such charges as a debt, and/or to foreclose the aforesaid lien in the same manner as other liens for the mortgage of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Unit at any foreclosure sale or to acquire, hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein, including, by way of illustration but not limitation, abandonment of the Unit.

Section 11. Subordination of Lien. The lien provided for in this Declaration shall be subordinate to the lien of any first mortgage theretofore of record upon the Lot subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure, or any other proceeding lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 12. Estoppel Certificates. The Association shall, upon request of a Member, at any reasonable time, furnish an estoppel certificate signed by an officer or other authorized agent of the Association, setting forth the amount of unpaid assessments and/or other charges, if any, against said Member's Lot, up to a given date or time of conveyance, also certifying as to whether or not there are violations of the governing documents on the Lot as of the date of preparation of the certificate. Said certificate shall be delivered to the place of closing, and all outstanding assessments and other charges, if any, and a reasonable charge, as determined by the Board to cover the cost of providing such certificate, shall be deducted from the Seller's account at the closing and transmitted directly to the Association.
