Section 1. Owner's Easement of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to every Lot, subject to the following:

- a. The right of the Association to charge reasonable admission and other fees for the use of any facility now or hereafter situated or constructed upon the Common Area and to impose reasonable limits on the number of guests who may use the facilities.
- b. The right of the Association to suspend the voting rights and right to use the common areas and facilities by any Owner for any period during which any assessment of the Association against said Owner's Lot remains unpaid, and for any infraction by an Owner of the Association's published rules and regulations for the duration of the infraction, and for an additional period thereafter not to exceed sixty (60) days.
- c. The right of the Declarant with regard to the Properties which may be owned for the purpose of development, to grant easements in and to the Common Area contained with the Properties to any public agency, authority or utility for such purposes as benefit of the Properties or parties thereof and Owners of Lots contained therein.

- f. The right of the Association with regard to the Properties which it may own to grant easements to Declarant, any public agency, authority or utility for such purposes as benefit the properties or portions thereof and Owners or Lots contained therein.

#### ARTICLE V

##### ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every person or entity who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include persons who hold an interest merely as security for the performance of any obligation, and the giving of a security interest shall not terminate the Owner's membership. No owner, whether one or more persons, shall have more than one membership per Lot. In the event of multiple Owners of a

Lot, votes and rights of use and enjoyment shall be as provided herein. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for membership. The rights and privileges of membership including the right to vote and to hold office may be exercised by a member or the member's spouse, but in no event shall more than one vote be cast nor office held for each Lot.

Section 2. Voting. The Association shall have two classes of membership, Class "A" and Class "B", as follows.

- a. Class "A". Class "A" members shall be all Owners with the exception of the Declarant who takes title for the purpose of development and sale and anyone holding one or more Lots for the purpose of development or sale. Class "A" members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Section 1 hereof. When more than one person holds such interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise in writing the Secretary prior to any meeting. In the absence of such advise, the Lot's vote shall be suspended in the event more than one person seeks to exercise it. If a Lot is owned by a corporation, partnership or trust, such entity shall designate in writing the person authorized to vote in behalf of such entity.
- b. Class "B". The Class "b" member shall be the Developer. The Class "B" member shall be entitled to four votes for each Lot in which it holds the interest required for membership by Section 1, Article III, provided that the Class "B" membership shall cease and become converted to Class "A" membership on the happening of either of the following events, whichever occurs earlier:
  - (1) When the total votes outstanding of the Class "A" membership equal the total votes outstanding of the Class "B" membership; or fifty percent of the Lots are sold. Until that time, the developer, K.I.R., and John Reynolds, Professional Land Surveyor and Planner, will act as the architectural control committee.
  - (2) At such time as Developer voluntarily relinquishes its Class "B" membership rights.

ARTICLE VI

COVENANT FOR MEMBERSHIP FEE AND ASSESSMENTS

Section 1. Purpose of Assessments. The assessments levied by the Association are for the purpose of promoting the recreation, scenic enjoyment, health, welfare and safety of the residents and for protecting, advancing and promoting the environment of the properties for the common benefit and enjoyment of the Owners and occupants of residences, improvement and maintenance of the common areas and other common facilities and areas of common responsibility including but not limited to repair, replacement and additions thereto, and for the cost of labor, equipment, and materials, management and supervision thereof, all as may be authorized from time to time by the Board of Directors.

Section 2. Creation of Lien and Personal Obligations of Assessments.

Each Owner of any Lot by acceptance of a deed or other conveyance therefore, whether or not it shall be so expressed in such deed or other conveyance and agree to pay the Association:

- (a) An entering membership fee, (b) annual assessments, (c) special assessments and/or individual assessments against any particular lot, shall be established and collected pursuant to the terms of this Declaration, including but not limited to reasonable fines as may be imposed herein. All such assessments, together with interest thereon, late charges and costs of collection thereof, including reasonable attorney's fees, (i) shall be a charge and a continuing lien upon the Lot against which any such assessment is made, and (ii) shall also be the joint and several personal obligation of each person who was an Owner of said Lot at the time when any such assessment made against said Lot fell due.

No Owner shall be entitled to a refund of any portion of the entering membership fee, or any annual or special assessment, or installment of a special assessment, paid by him, even though said Owner's membership in the Association terminates prior to expiration of the period covered by any such assessment or installment theretofore paid by him. No Owner may avoid or escape liability for the entering membership fee, or any annual or special assessment, or individual

assessment, imposed or levied pursuant to this Article VI by abandonment of his Lot or by attempted waiver of non-user of the benefits of membership in the Association, or of the Common Areas and facilities.

Section 3. Entering Membership-Fee. Each person or entity who holds an ownership interest in a Lot, by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association within ten (10) days after first becoming a Member of the Association, an entering membership fee of Twenty-five Dollars (\$25.00) to be used by the Association for the same purposes for which annual and special assessments may be levied, provided, however, that no person or entity shall be required to pay the entering membership fee more than once, without regard to the number of Lots in which said Owner from time to time may hold an ownership interest, and without regard to the number of times said Owner may again become a Member of the Association after said Owner's initial membership therein terminates.

Section 4. Annual Assessment. It shall be the duty of the Board at least thirty (30) days prior to the Association's annual meeting to prepare a budget covering the estimated costs of operating the Association during the coming year which may include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the proposed budget and the assessments to be levied against each Lot for the following year to be delivered to the last known residence address of each member at least thirty (30) days prior to the meeting. The budget and the assessment shall become effective unless disapproved at the annual meeting by a vote of at least fifty-one percent (51%) of the total Association membership votes including those votes of the Class "B" member or members. Notwithstanding the foregoing, however, in the event the members disapprove the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any calendar year, a special assessment for the purpose of defraying in whole or in part, the cost of any construction

or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided, that, any such assessment shall have the assent of two-thirds (2/3) of the votes of the total membership including the Class "B" members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days in advance of the meeting setting forth the purpose of the meeting. The Board of Directors may make such special assessments payable in installments over a period which may, in the Board's discretion, extend in excess of the fiscal year in which adopted.

Section 6. Individual Assessment. In the event that the need for maintenance or repairs of the Common Area is caused through the willful or negligent act of an Owner, his family, Lessee's guests or invitees or in the event that an Owner of any Lot shall fail or refuse to maintain such Lot, or repair or replace the improvements situated thereon in a manner satisfactory to the Board, or to the Architectural Standard Committee, then, the Association, after approval by vote of 75% of all members of the Board, shall give such written notice of the Association's intent to provide the required maintenance, repair or replacement, at such Owner's sole cost and expense. The Owner shall have fifteen (15) days within which to complete said maintenance, repair or replacement, or if such work cannot be accomplished within said fifteen day period, to commence said maintenance, repair or replacement. If such Owner fails or refuses to discharge properly his obligations as outlined above, the Association shall have the right, through its duly authorized agents or employees to enter at reasonable hours of any day, upon said Lot to perform such work. The Association may levy an individual assessment upon any Lot, except as provided in Section 7 of this Article, to cover the cost and expense incurred by the Association in fulfilling the provisions of this section.

Section 7. Exemption from Assessment. The following property subject to this declaration shall be exempt from all assessments, charges and liens created herein:

- (a) All properties to the extent of any easement or other interest therein dedicated and accepted by any public authority and devoted to public use.
- (b) All common area as defined in Article I hereof.

- (c) Any vacant land or Lots owned by a Class "B" member unless a Lot is occupied as a residence. Any such land or lots owned by a Class "B" member shall be maintained by such Class "B" member at such member's sole cost and expense.

Section 8. Assessment Due Dates. The annual assessment installments for each Lot shall commence on the first day of the month following the transfer of ownership of the Lot from Declarant to the Owner, and shall become due and payable on the first day of each month thereafter. The method of payment and due dates for special assessments shall be established by the Association in accordance with Section 5 of this Article VI. The method of payment and due dates for individual assessments shall be as determined by the Board in accordance with Section 6 of Article VI. The Association shall prepare a roster of Lots and assessments applicable thereto, which shall be open to inspection by any member upon reasonable notice to the Board.

Section 9. Computation. Annual and special assessments shall be charged equally against each Lot.

Section 10. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. Any assessment or assessment installment delinquent for a period of more than ten (10) days may incur a late charge in an amount as the Board may determine from time to time. The Association shall cause a notice of delinquency to be given to any member who has not paid within the ten (10) days following the due date. If the assessment or assessment installment is not paid within thirty (30) days, the Association may declare the entire balance of such assessment for the remainder of such annual period due and payable in full, and a lien as herein provided for shall attach, and in addition the lien shall include the late charge, interest on the principal amount due at the maximum allowable rate from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may as the Board shall determine, institute suit to collect such amounts or to foreclose its lien. Each Owner, by acceptance of a deed or other conveyance to a Lot, vests in the Association or its agents the right and power to bring all actions against such Owner or Owners personally for the collection of such charges as a

debt and/or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein, including by way of illustration but not limitation, abandonment of the Lot.

Section 11. Subordination of Lien. The lien provided for in this Declaration shall be subordinate to the lien of any first mortgage now or hereafter placed upon the Lot subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale of transfer of such Lot pursuant to a decree of foreclosure, of any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 12. Estoppel Certificates. The Association shall, upon request of a member, at any reasonable time, furnish an estoppel certificate signed by an officer or other authorized agent of the Association, setting forth the amount of unpaid assessments and/or other charges, if any, against said member's Lot, up to a given date or time of conveyance. Also, said estoppel certificate will certify as to whether or not there are violations of the governing documents on the Lot as of the date of preparation of the certificate. Said certificate shall be delivered to the place of closing, and all outstanding assessments and other charges, if any, and a reasonable charge, as determined by the Board, to cover the cost of providing such certificate shall be deducted from the Seller's account at the closing and transmitted directly to the Association.

By virtue of this easement, it shall be expressly permissible for the Developer or the providing utility or service company to install and maintain facilities and equipment on the property, to excavate for such purposes and to affix and maintain wires, circuits and conduits on, in and under the land providing such company restores disturbed areas to the condition in which they were found.

Section 5. Easement for Landscaping and Related Purposes.

There shall be and is hereby reserved to the Developer for so long as it retains its rights as Developer, a non-exclusive easement over all Lots and Common Areas (whether public or private) for the purpose of erecting and maintaining street intersection signs, directional signs, temporary promotional signs, plantings, street lights, entrance features and/or "theme areas", lighting, stone, wood or masonry wall features and/or related landscaping.
