

Good Afternoon Chatham Census Update!

I hope you are all doing well in our virus lockdown. While most everyone is at home, this is a perfect time for residents to complete the census. **Today is Census Day and we are asking you to spread the word to improve our count!**

I wanted to share with you some data that shows the response rates for cities in Sangamon County. I have listed the top ten town/city/village along with the percentage of residents who have responded to the census. Sherman is still in first place with 70.6 % up from 55.7 %. Our percent has increased from 50.3 to 65 not a bad increase for 7 days but we would like to see these number skyrocket this week!

Please visit the Census at, <https://my2020census.gov> It only takes about 10 minutes to complete and how important it is to our community.

We will let you know how we are doing against the other towns. Come on Chatham, I can't believe we are not leading this we are the most competitive town around. If you have filled out the census pass this to your friends and neighbors. We can make this a friendly competition by municipality. **Losing is not an option!**

Towns in Sangamon County	3/30/2020	4/6/2020
Sherman	55.7	70.6
Rochester	55.1	69.5
Leland Grove	50.3	66
